Lyrics by Andrew Chinn

Music by Drew Lane

**Capo 2**

**D**

**G-A-D**

**Rise Up!... Listen!... Go now!... Serve!...**

**D              A              D**

**Rise up, rise up, wherever you are**

**G              D              A**

**Listen with your ears, a listening heart**

**D              A              D**

**Go now, go now, spread the Good News**

**G      D      A**

**Serve with your life...**

**D              A              D**

With faith in your heart, you are called to rise

**G              D              A**

To open your heart, and open your eyes

**D              A              D**

With faith in God's grace, all become one

**Em              D              G9      A**

Beacons of hope, one in God's love

**D              A              D**

**Rise up, rise up, wherever you are**

**G              D              A**

**Listen with your ears, a listening heart**

**D              A              D**

**Go now, go now, spread the Good News**

**G      D      A              D      D-A-D-G-D-A**

**Serve with your life, (in all that you do)**

# Rise Up! Listen! Go Now! Serve!

Lyrics by Andrew Chinn

Music by Drew Lane

**D                      A                      D**

Attend with your heart and a listening ear

**G                      D                      A**

To hear God's voice, to rise above fear

**D                      A                      D**

With a prayerful heart, called to discern

**Em                      D                      G9                      A**

The voice of courage, the voice of mercy

**D                      A                      D**

**Rise up, rise up, wherever you are**

**G                      D                      A**

**Listen with your ears, a listening heart**

**D                      A                      D**

**Go now, go now, spread the Good News**

**G                      D                      A                      D                      D- A- D-G-D-A**

**Serve with your life, (in all that you do)**

**D                      A                      D**

Go now in peace, to serve in love

**G                      D                      A**

Reach out to others, mission to the poor

**Bm                      A                      D**

Serve with purpose, in The One we are one

**Em                      D                      G9                      A**

Walking together, the journey goes on

Double chorus
