An Australian Blessing Andrew Chinn

May the God of the sun, gently rising
Bring the hope of a day just begun
May the God of the oceans all around us
Bring you the peace of the Holy One

May the God of the desert, heart of our land
Bring the stillness and silence of the wise
May the God of the rivers, flowing freely
Bring new hope, soothing calm, and new life

May the God of blue skies above us
Lift your heart and bring you joy
May the God of the rains from the heavens
Nurture you and soothe your soul

May the God of the sun, gently setting
Bring you peace and rest your weary heart
May the God of the stars of our Southern Cross
Shine down on you wherever you are

Shine down on you wherever you are

Go now in Peace

Go now, go now, go now in peace!
Go now, in peace now,
to love and serve the Lord!

1. Jesus has spoken to us
Through our God's sacred word
We have listened and we've shared
And our hearts have been stirred

2. Jesus has called us to share
In this most sacred of meals
Through his body and blood
We are one and we are healed

3. His love will not ever leave us
His love will not ever cease
He will walk with us always
As we go now in peace

4. Let us carry Him in our hearts
As we love and as we pray
We are sent forth to live his word
In all we do, in every day

We are called to shineshine ...

Shine among them

We are called to shineshine ...

Shine like the stars above

We are called to shineshine ...

Shine among them

We are called to shineshine ...

Shine be a light of love

1. Jesus is a light, a light for all the world

His light it shines in the fire of His words

A light of love, for all the world to see

A shining star, a call for you and me

2. A star of light, a star of love

The love of Jesus, given by God

“Love one another as I have loved you”

As stars of love, we are called too

3. As stars of love, we are called to be strong

Compassion and justice, our call, our song

In this way too we must shine like the stars

Shine with God’s love, wherever we are!

4. With all our gifts we are called to shine

To be all we can be, to light up the sky

We will shine among them, and show them the way

Shine among them, every night, every day
