

# Be Like You

By James Wahl

Sometimes I only think of myself  
Don't care for others, don't try to help  
But Jesus taught his friends to serve  
The night before he died  
He showed them how, he washed their feet  
He said, "You are mine!"

**I want to serve like you and share like you  
In all I do I want to be like you  
Want to love like you and live like you  
In all I do, Jesus help me be like you**

Sometimes I'm selfish, I don't act fair  
I keep my things all to myself, don't want to share  
But Jesus taught his friends to give  
The night before he died  
He took the bread and broke it, saying  
"Eat this, you are mine!"

**I want to serve like you and share like you  
In all I do I want to be like you  
Want to love like you and live like you  
In all I do, Jesus help me be like you**

# Be Like You

By James Wahl

Sometimes I'm angry, when my friends hurt me bad  
They say they're sorry but I still feel so mad  
But Jesus taught his friends to love  
The day he died  
Even though he walked away  
He still said, "You are mine!"

**I want to serve like you and share like you  
In all I do I want to be like you  
Want to love like you and live like you  
In all I do, Jesus help me be like you**

Sometimes I feel as dark as night  
Sometimes I'm scared, can't see the light  
But Jesus taught his friends to live  
Three days after he died  
He conquered death, he rose again  
He said, "I am the light!"

**I want to serve like you and share like you  
In all I do I want to be like you  
Want to love like you and live like you  
In all I do, Jesus help me be like you**
